RE: Sales Disclosure Form Enhancement

As a result of county feedback, the Department of Local Government Finance has enhanced the new Sales Disclosure Form, which has replaced the version originally designed for the July 1 deadline. This was uploaded to the Web site as of yesterday afternoon.

The enhancement adds an item under **Part I, Column B: Conditions**. Under this section we have added a box marked "A transfer of real property interest for valuable consideration."

Please note the older version of the form filed prior to yesterday is still valid for the purposes of the sales disclosure statute.

The Department is currently enhancing the online application to reflect the newest version of the form. We anticipate that the application will be posted by early next week. We will notify you as soon as the online application is available.

If you have any questions, please contact Tim Jorczak, Assistant Director of Operations, at tjorczak@dlgf.in.gov.
